4. About This Policy

We agree to provide You with insurance in accordance with the terms, conditions, and exclusions of the policy based on the information You have provided or that was provided on Your behalf to Us, subject to payment of the **premium** required. The policy consists of this document, the **schedule** and any endorsements affixed (or intended to be affixed) to it and the proposal form. All of them should be read as if they were one document. This policy is subject to Australian law and practice.

Your certificate of insurance

Your certificate of insurance contains important details about your policy such as the **period of insurance**, your **premium**, what cover options and excesses will apply, and any changes to the policy wording.

What makes up your premium

Your **premium** is determined by a number of factors and of course, the higher the risk is, the higher the **premium**. Your **premium** also includes amounts that we are required to pay, such as government charges, taxes or levies (e.g. stamp duty and GST) that apply to your policy. You will find these amounts on your certificate of insurance.

In return for You paying Us a **premium**, We insure You for the events described in the Policy Wording and PDS, subject to the terms, conditions and exclusions of Your policy. Please keep this document, Your **schedule** and any other documents that We tell You form part of Your policy in a safe place in case You need to refer to them in the future. 6. Your Duty of Disclosure

What You must tell Us

We will ask You various questions when You apply for cover. When You answer those questions, You must take reasonable care not to make a misrepresentation to Us. We will use the answers in deciding whether to insure You, and anyone else to be insured under the Policy, and on what terms. You have this same duty to disclose those matters to Us before You renew, extend, vary or reinstate Your Policy.

If You do not tell Us

If You do not answer Our questions in this way, We may reduce Our liability under contract in respect of a claim or refuse to pay a claim or cancel the Policy. If You answer Our questions fraudulently, We may refuse to pay a claim and treat the Policy as never having commenced.

3.6 Cyber and Data Total Exclusion

Notwithstanding any provision to the contrary with this policy or any endorsement thereto, this policy does not apply to any loss, damage, liability, claim fines, penalties, cost or expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any:

This exclusion supersedes any other wording in the policy or any endorsement thereto having a bearing on a *cyber act*, *cyber incident* or *data*, and, if in conflict with such wording, replaces it.

If **Agile** allege that by reason of this exclusion that the loss sustained by the *insured* is not covered by the policy, the burden of proving the contrary shall be upon the *insured*.

- 2. is not required to so insure or otherwise fund such liability by reason only that the *personal injury* is to a person who is not a 'worker' or 'employee' within the meaning of the relevant workers' compensation law or the *personal injury* is not an injury which is subject to such law,

then this policy will cover liability for *personal injury* to the extent that the *insured's* liability would not have been covered under any such fund, scheme, policy of insurance or self-insurance arrangement had the *insured* complied with its obligations pursuant to such law.

- (a) The *insured* shall not, without **Agile's** written consent, admit or repudiate liability, negotiate or make any offer, promise or payment in connection with any claim.
- (b) **Agile** shall be entitled, but not obliged, to take over and conduct in the *insured's* name, the defence or settlement of any claim or *inquiry* or to prosecute in the name of the *insured* at its own expense and for its own benefit, any claim against any persons, and shall have full discretion in the conduct of any proceedings and in the settlement of any claim.

4.5 Cross liability

Subject to clause 4.10 Joint responsibility, when an *insured* consists of more than one party, the *insured* shall be considered as a separate *insured* as though a separate policy had been issued to each of the said parties, but nothing herein contained shall operate to increase the *limit of liability*.

4.6 Deductible

The *deductible* is the first amount payable by the *insured* for each *occurrence*. *Agile* will never be liable to indemnify the *insured* for the *deductible*. However:

- (a) in relation to any *injury to contractors claim* the *injury to contractors deductible* applies rather than the *deductible*.

4.7 Discharge of any liability

Agile may at any time pay the *limit of liability* (after deduction of sum or sums already paid), or any lesser sums for which any claim or claims can be settled and shall then be under no further liability in respect thereof except for the payment of amounts referred to in clause 2.2 [Additional Payments](#), incurred prior to such payment.

In the event of a claim or series of claims arising from an *occurrence* resulting in liability of the *insured* to pay a sum in excess of the *limit of liability*, *Agile's* liability under clause 2.2 [Additional Payments](#) shall not exceed an amount being in the same proportion as *Agile's* payment bears to the total payment made by or on behalf of or to be made by the *insured* in satisfaction of the claim or claims.

4.8 Fraud

If any claim be in any respect fraudulent or if any fraudulent means or devices be used by the *insured* or anyone acting on the *insured's* behalf to obtain any benefit under this policy, or if any loss hereunder be occasioned by the wilful act or with the connivance of the *insured*, then *Agile*, without prejudice to any other rights(s) *Agile* might have under this policy, shall be entitled to refuse to pay such claim.

4.9 Inspection and audit

Agile shall be permitted to inspect the *insured's* property and operations at any reasonable time. Neither *Agile's* right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking on behalf of or for the benefit of an *insured* or others to determine or warrant that such property or operations are safe or healthy, or are in compliance with any law, rule or regulation.

Agile may examine and audit the *insured's* books and records at any time during the *period of insurance* and within three years after the final termination of the policy, as far as they relate to the subject matter of this insurance.

4.10 Joint responsibility

Where the *insured* is comprised of more than one legal entity, information supplied to **Agile** shall be deemed to have been furnished by and on behalf of all such entities, and any information supplied to **Agile** or any omission or non-disclosure in relation to any renewal or extension hereof, shall likewise be deemed to have been furnished, omitted or withheld on behalf of all such entities.

Any and all *insured's* and any persons deriving benefit under this policy are jointly liable and responsible for any breach of any terms of this policy and/or misrepresentation and/or non-disclosure and/or fraud.

4.11 Limit of liability

Agile's liability shall not exceed the *limit of liability* as specified in the *schedule* for any one *occurrence* or series of claims for *public liability* and for any one *occurrence* and in the aggregate during the *period of insurance* for *products liability*.

4.12 Occurrence series clause

- (a) An *occurrence* or series of *occurrences* which are attributable directly or indirectly or allegedly attributable directly or indirectly to the same event, condition, defect or hazard, or failure to warn shall be added together and treated as one *occurrence*, irrespective of the period of time after the commencement of the *period of insurance* or the number of persons or entities that sustain *property damage* and/or *personal injury*.
- (b) All such *occurrences* shall be deemed to have occurred on the day of the first of such *occurrences*.
- (c) The *limit of liability* is non-cumulative.
- (d) **Agile** shall not indemnify the *insured* for any liability of whatsoever nature in connection with *personal injury* or *property damage* where such *personal injury* or *property damage* is in any way connected with an *occurrence* or events or circumstances, whether of a continuous, intermittent or repeated exposure, which had occurred or commenced or existed prior to the commencement of the *period of insurance*.

4.13 Premium

When shown in the *schedule*, the *premium* is minimum and deposit and is adjustable. The *insured* shall, within 60 days after the expiry of each *period of insurance*, provide such information as **Agile** may require adjusting the *premium*.

Any difference in *premium* shall be paid by or allowed to the *insured*, provided that the adjusted *premium* will not be less than any minimum *premium* specified in the *schedule*. The *insured* shall at all times allow **Agile** to inspect such records.

4.14 Reasonable precautions

It is a condition of this policy to **Agile's** liability under this policy that the **insured** shall, at its own expense:

- (a) take, and cause to be taken, reasonable precautions to prevent **personal injury**, **property damage** and/or **advertising liability**;
- (b) comply with all statutory or local authority law, obligations and requirements or equivalent;
- (c) prevent the manufacture, sale or supply of defective **products**; and
- (d) withdraw, inspect, repair, replace, trace, recall or modify any of the **products** containing any defect or deficiency of which the **insured** has knowledge or has reason to suspect.

4.15 Bankruptcy or insolvency

If the **insured** becomes bankrupt or insolvent, **Agile** will not be relieved of the payment of any claims under this policy because of such bankruptcy or insolvency.

4.16 Release

Where the **insured** is required by contractual agreement to release any Government or Public or Local Authority or other Statutory Authority from liability in respect of loss, destruction or damage or legal liability insured against under this policy, such a release is allowed without prejudice to this insurance.

Notwithstanding Condition 4.18 of this policy, **Agile** agrees to waive all rights of subrogation against any such Authority in the event of any **occurrence** for which a claim for indemnity may be made under this policy.

4.17 Sanctions

Agile shall not make any payments nor provide any benefit to any **insured** or any other party to the extent that such payment, benefit and/or any **business** or activity of the **insured** would violate any applicable trade or economic sanctions, law or regulation.

4.18 Subrogation

Agile waive all rights of subrogation under this policy against any **insured** except if such **insured** is protected from such loss by any other contract or policy of indemnity or insurance. In that event, **Agile's** right of subrogation is not waived to the extent of the indemnity or insurance under such other contract or policy.

4.19 Subrogation and allocation of the proceeds of recoveries

Subject to Condition 4.18 Subrogation any corporation, organisation or person claiming under this insurance shall, at **Agile's** request and expense, do and concur in doing and permit to be done all such acts and things that may be necessary or may be reasonably be required by **Agile** for the purpose of enforcing any rights and remedies, or for obtaining relief or indemnity from any other organisation(s) or person(s), to which **Agile** shall be or would become entitled upon **Agile** paying for or indemnifying the **insured** in respect of legal liability under this policy.

Should the **insured** incur any legal liability which is not covered by the policy:

1. due to the application of a **deductible**; or
2. where the amounts of any judgments or settlements exceed the applicable **limit of liability**;

the **insured** will be entitled to the first call on the proceeds of all recoveries made, by either the **insured** or **Agile**, on account of such legal liability until fully reimbursed for such uninsured amounts or amounts (less the actual costs of making such recoveries where those costs are incurred by **Agile**) and any remaining amount(s) will be applied to reimburse **Agile**.

4.20 Interpretation

This policy incorporates the **schedule**, definitions, insuring clauses, exclusions and conditions and any other terms contained or endorsed in or to this policy, which are to be read together. Any coverage established by ATIA is only in respect of any "eligible terrorism loss" resulting from a "terrorist act" which is a "declared terrorist incident" as defined in ATIA. The Terrorism exclusion to which this insurance is subject applies in full force and effect to any other loss and any act or event that is not a "declared terrorist incident".

All other terms, conditions, insured coverage, and exclusions of this insurance including applicable limits and **deductibles** remain unchanged.

If any or all of the Underwriters have reinsured this insurance with the Australian Reinsurance Pool Corporation, then any such Underwriters will not be liable for any amounts for which they are not responsible under the terms of ATIA due to the application of a "reduction percentage" as defined in ATIA which results in a cap on the Underwriter's liability for payment for "eligible terrorism losses".
